Media release for minors at Hillcrest Presbyterian Church

This media release form is to gain your parental permission to post photographs or videos of your child (child is classified as under 18) in publications, on social media, the church website and public relations activities.

In the event of publications, parents will have access to the publication the child is in. Our publication policy, as well as our website policy, follows the same procedure as our social media policy with regards to your child's protection.

Social media in this document refers to Facebook, Twitter, Instagram, WhatsApp and the Hillcrest Presbyterian website.

Our social media policy regarding the protection of children is displayed below:

Child protection on our church-related social media posts

All youth under the age of 18 must have media releases signed by their parents or legal guardians to allow the sharing of their image on social media or their faces need to be blocked out.

For all events with times and dates posted on social media, especially with the inclusion of minors, there must be precautions taken to protect these minors at the event.

Posts with minors must NOT include:

- *The minor's or their parents name (including tagging).*
- *The post must be posted after the event takes place.*
 - *Pictures of minors in swimming costumes.*
- *The geo tag location indicator of the picture must be turned off before the photo is taken.*
- *Minors in uniforms or reference to their schools.*

Media Release

I give/do not give (cross out the non-applicable) permission for photographs in which my child(s) appear to be used for publications and public relations activities by Hillcrest Presbyterian Family Church.

This may include use in print and electronic media, social media, including the church website.
